

2009 Honeywell Employee Purchase Program

Honeywell's Employee Purchase Program is designed to offer product at a discounted price to employees wanting to install Honeywell products in their own home.

How to participate in this program:

1. When ordering any whole-house products, be sure to consult you local contractor to determine your HVAC system specifications and installation requirements.
2. Complete the order form on the back of this brochure and calculate the total adding 10% for shipping and handling. This is the amount Honeywell will charge to your credit card. Failure to complete all required information may result in a delay in processing your order.
3. Be sure to include your credit card number and expiration date.
4. Fax the order form to Honeywell at 763-954-5138, Attention: **HEPP Order**
5. Honeywell will process the order and have the products shipped direct within 1-2 weeks.
6. You will receive acknowledgement via email that your order has been received.
7. If ordering thermostats, please visit www.eclub.honeywell.com/eclub, or contact the Honeywell Employee Club store at 763-954-5888.

For questions or to check order status, call 1-800-865-1553.
